 Hinckley United Reformed Church "The Borough Church"

Across the summer we offered our ['Bible Heroes Holiday Club'](#). (The videos and home activity packs are still on our [website](#)) Each week saw a different Bible hero - who were ordinary people (just like us!) but because of their trust in God and with his help, did amazing things! Our last session we looked at Jesus - the ultimate hero and God's rescue plan! Each week there were new challenges, new activity packs and new competitions to win prizes.

**Congratulations to our competition winners: Eliza, Florence, George, Harry, Heather, Jamie, Olivia & Oliver**

Thank you so much to everyone who has joined us at any point across the summer - please click the link to [request your certificate](#)

### 'See you another time'

*I feel like I have been part of Hinckley URC for far longer than just arriving in January and spending such a short time with groups and getting to know people and the area, prior to lockdown in March.*

*But I have decided to leave the church and the role as Family Worker, to take on a 3 year degree at Derby University to train to become a Primary School teacher. This hasn't been a quick decision as have applied a number of times before, but haven't been successful until now.*

*I have loved being a part of this church and the groups that hire the building, as everyone has been so friendly, so welcoming, so hospitable and kind and for that, I am so very grateful - so a big thank you for that!*

*(I am sorry this is such an impersonal way of saying I am leaving - but with lockdown, I am limited, so please forgive me on that front).*

*I have truly enjoyed the work I have been involved in for this season and have enjoyed getting to know people and families both before and during lockdown. With love and many thanks*

Becky xx
