Prayers for week beginning Monday 6th February

Mon 6th Feb

Lord, our Saviour and friend, Help us remember You are also the creator of the universe, and that the whole world is Your handiwork. We do pray for the world, Lord, and ask that You guide us to do all we can to bring out the beauty in it.

Tues 7th Feb

God of all mercy, grace and love, you are our foundation when life seems shaky, you are our shelter through the storms of life, you are our safe place when danger seems all around. Strengthen us to face the trials of the world and refresh us for renewed service and witness.

Wed 8th Feb

Sometimes Lord, we find ourselves compromising in order to fit in with society, to somehow become more acceptable to the world we live in. This is not how You call us to live. You call us to be bold and unshakeable in our faith. Keep us steadfast in our faith.

Thurs 9th Feb

God of compassion, today I bring to you all of my situations; when my strength has reached its capacity, when I see only strife, grief and sadness, You guard my heart and never grow weary, thank you for the gift of Your presence in my life.

Fri 10th Feb

Gracious God, sometimes we see images of wonder and loveliness in the world, but for others across the world this is not so. They are anxious, there is no loveliness only fear, hunger, thirst. Help us to be Your love on earth.

Sat 11th Feb

God, you are the source and giver of every good gift; of life, light and love; of peace protection and presence; of time, treasure and talents; of faith, fellowship and fruitfulness. You bless us abundantly day by day. May I be equipped for your service and mission.

Sun 12th Feb

Adonai (Lord), my faithful friend, lead me to worship today, for I desire to walk and talk with You. Today is familiar, yet something entirely new. Today I follow Your light and truth and hear Your word. Bless the service we will hear in our church and the person leading our worship.

With thanks to Hazel C. who has extracted this weeks prayers from the URC prayer handbook for 2023
