

Prayers for the week beginning 6th March 2023

Monday 6th

Please pray for people weighed down through worry. These are hard times and people are suffering in many different ways with medical problems, financial difficulties, family relationships, loneliness, to name a few. Pray that they may find support.

Tuesday 7th

Pray for all people who are in the care industry – from the cleaner in the care home to the surgeon in the hospital – all the staff who play their part in taking care of vulnerable people. Pray for support organisations. Pray for those providing warm spaces and opportunity for fellowship and for those who are running the food banks.

Wednesday 8th

Pray for those you know who have recently undergone surgery and are recovering. Pray also for those who are waiting for medical treatment and are in pain and discomfort.

Thursday 9th

Pray for refugees - especially for those from Ukraine and from the middle east. Pray that they may receive the support they need and that their lives may return to some form of normality with an end to conflict in the countries they are from.

Friday 10th

Pray that we may have the confidence to share our faith with those around us. Pray that God will enable us to do this in a way that encourages and befriends people so that they feel comfortable to share their concerns with us and hear more about Jesus. Pray that people will attend and benefit from the “Contagious Christians” course on March 25th.

Saturday 11th

There will be a light breakfast followed at 10am by a presentation to raise awareness for Christian Aid at the church today. Please pray for this.

Sunday 12th

Pray that God’s love will radiate through this world as Christians share in worship and prayer.
