

THIS WEEK'S PRAYERS Monday 22nd May 2023

Monday 22nd May

We give thanks to our Lord Jesus Christ for the gift of family and friends, for giving us another week to serve him. We are grateful Lord for the opportunity to serve you and glorify your name through our daily task. We bring to you Lord those millions of workers in the UK struggling to make ends meet.

Tuesday 23rd May

Pray for the young people all over the country as they are doing their exams. May the Lord provide them with wisdom and courage. We pray that some of those young people will be called to ministry and train to be a minister.

Wednesday 24th May

Pray for the leaders and ministers at the URC and all non-conformist churches all around the country. Pray that they may find ways to stop the congregation decline in the UK. Give them vision Lord to be a true fisher of people like Paul so that more people can be close to you. Give our leaders in the URC Lord a vision to recruit and train more ministers. Pray that they may manage for progress not just managing decline. Help them Lord to reach out to young people in the URC.

Thursday 25th May

Pray for those suffering from ill health and for bereaved families. May our Lord Jesus Christ give them comfort and peace. Please pray for your neighbour.

Friday 26th May

Pray for the work of the Bible society and the Christian mission in China and around the world to spread the good news. Please pray and support the work of the Gideons when you can.

Saturday 27th May

We pray for peace around the world; we pray for families who are victims of war in Ukraine and Sudan. Teach us Lord to love one another.

Sunday 28th May

Thank you Lord for giving us the opportunity to worship you here today; may your presence be felt by all. Pray for Rev George Lea as he will be preaching on Pentecost day.

AMEN
