

Hinckley United Reformed Church

Prayer 25th - 31st December 2023

Monday 25rd December 2023

Pray for families gathering and scattered throughout the world that they may value each other as we celebrate the light of God among us (Emmanuel) in Christ Jesus. Pray that the light of God may shine through the life of families. Let us be thankful for our families and think of those with no families to celebrate with around.

Tuesday 26th December

Let us pray that the Church may be able to embody the light of God who dwells in us through the Holy Spirit. Pray that we will be effective representatives of God's Kingdom. Pray that our lives may be a shining example to those we interact with.

Wednesday 27th December

Pray for safe travel of people travelling from their Christmas holidays all over the World

Thursday 28th December

Pray for God to raise more people who are going to be praying for the work of God in our towns and villages. Pray that God will raise women, Aarons and Hurs of our generation (exodus 17:10-14) to pray for God's work and workers on the ground.

Friday 29th December

Pray that the Church may be a place of encouragement, building and affirming for all people of God and those visiting the places of worship. Pray for the Church to be intentional about our roles of blessing people.

Saturday 30th December

Give thanks for the people who have been around your life, giving support encouragement, building and affirming you as an individual and as a child of God. Be thankful for helpful people around you and your family and pray for those not so helpful to become more helpful.

Sunday 31st December

Give thanks to God for the lessons learnt in this year and opportunities that God has given us as His people to show love. Thank God for all the blessings and for the presence of God through all the challenges we have gone through say Ebenezer (thus far the Lord has taken us)

01- 07 January 2024

Monday 1st January

Praise God for the plans that God has for you and your local Church and Church at large (Jeremiah 29:11). Pray that we would be seeking to align ourselves with the plan of God.

Tuesday 2nd January

Pray for the socially, and economically marginalised people in our society who are sometimes made to feel like they are to blame for wrongs in the society by those in positions of power and privilege in our world. Pray that the marginalised people would not be used to fight one another for the benefit of the powerful and privileged in our society.

Wednesday 3rd January

Pray for people in war zones around the world. Pray that they may one day experience peace and tranquillity. Pray for the war zones on the front pages of our newspapers and those long forgotten.

Thursday 4th January

Pray for God to give us the word for the season each and every time we gather together to praise and worship God in homes or in the Church buildings. Pray that the people who speak to us may speak the heart of God to the people of God.

Friday 5th January

Pray for the leaders in the Church to have hearts for God's people and for a fresh anointing upon the leaders in the Church and for God to raise people who pray for leaders in the Church

Saturday 6th January

Let us remember to pray for the Civil leaders in our town, country and world that they may lead people with love and compassion.

Sunday 7th January

Pray that the Church may be a place where peoples (different people) are welcomed, valued, respected and cared for by God's people. Pray that the church will be a role model for the world to learn what it means to be integrated as we (church) model it, allowing God's love to ooze through us affecting the people we come into contact with.
