Prayers for Monday 11th March
Temptation

Mon 11th March – Lord, we pray today for the temptation of using our voices to cause harm. When we gossip, or say negative things about others, when we are judgemental to others situations – help us to be positive, caring, loving and use our voices to encourage each other.

Tues 12th March – Lord, we pray today for the temptation of always wanting more. Maybe the best items, food, clothes – the feeling of trying to keep up with the neighbours and what other people have. Help us to remember you give us what we need – our daily bread. Help us to be content in our lives.

Wed 13th March – Lord, we pray for the temptation of believing in worldly ways. When the world tells us what we should do, how we should behave, what we should be thinking, buying, doing and believing. Help us to always turn to you and the bible to show us the right ways in our lives.

Thurs 14th March - Lord, we pray for the temptation of not putting you first in our lives. For the times we try and make excuses for not worshipping you God, for not praying to you for guidance, for not reading our bibles or listening to your word for us. Help us to remember how much you love us and want us to come to you for everything.

Fri 15th March – Lord, we pray for the temptation of not standing up for you in our Christian lives. Please help us when we face an opportunity of speaking about Jesus and your love for us to others – instead of us choosing to be quiet. Fill us with strength and confidence to share your love to all.

Sat 16th March – Lord, we pray for the temptation of not helping others. You tell us to love our neighbours. When we walk on by or feel we can't help, or even judge those that are struggling. May we pray for those people, get inspiration from you for what we can do and show your love to those in need through our generous ways.

Sun 17th March - Lord, we pray and thank you for your example of showing us the right things to do when we fall in to temptations power. Help us to ask you for strength, guidance and support in all we do. Thank you that you still love us, even though we fail you often. Put us on the right path, your path, to keep us following in your footsteps.
