Additional Prayer request... for our Granddaughter Ashley.

Later this month she is joining a team of medical staff from the charity "Pace for Life". They are going to Bangalore, India for a week to fit pace makers to all those they find who need one. The pace makers are donated to this charity by a number of hospitals.

Ashley will play an active part in the team. She will be setting up the pacemakers ready to be inserted in the patient.

She will then join an organised tour of Sri Lanka for 2 weeks.

When we spoke to her last evening, she was very excited about the whole adventure. She certainly knows about God and His love in Jesus. She will trust Him to keep her safe.
