

Hinckley United Reformed Church

Prayers for week beginning Monday 27th November 2025

The Old Testament tells us how Solomon has plans to build a Temple, for the Worship of God and a Palace for himself and his family to live in. Which would be the most important to him. I am sure you recognise that George wrote them.

Monday 27th November 2025

Which would be the most important building. Which building do you feel the most for? Think about the people who live in our country but have left their homes because of war and or persecution.

Tuesday 28th

Think about your family and friends, do they all have a fine house to live in. Think of those who live in cold drafty houses.

Wednesday 29th

Remember today those people who are preparing the home for the people who will live in the house we are buying.

Thursday 30th

Think about the place we meet to Worship our God. Who takes care of it?

Friday 31st

Pray for all those people you know who are not able to join us for worship each week. The aged or sick.

Saturday 1st February

Think about what you do for the Church. Could you do more? We will be without a Minister for some time so what will that mean to us? How could we help?

Sunday 2nd

And so to Sunday, think about those leading worship, leading us to a closer relationship with God. Think about what we can bring to this house of God
